

Prime Resins Contractor Training Class March 17 - 18, 2008

Who: Contractors who want to learn the art and science of Chemical Grout Injection. This class will focus only on Prime-Flex chemical grouts. *(Epoxy injection and floor repair will not be covered, but will be offered in the future.)*

When: March 17 - 18, 2008
1:00 PM to 6:00 PM on Monday and 8:00 AM to 4:00 PM on Tuesday

Where: Prime Resins Corporate Office, Conyers, GA

Course Outline - Sample topics include:

- Overview of products and applications
- Choosing the right product for the right application
- Tips and tricks for successful chemical grout injection
- Class room time to understand how the products work
- Hands-on product training including setting ports, injecting cracks, and soil grouting

Attire: Work/ Casual (Jeans OK)
Training will include some hands-on demos, so come comfortable.

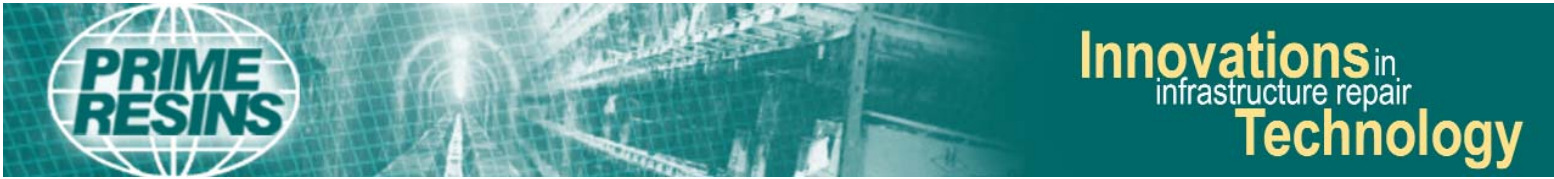

The cost of the class is **\$500 (\$300 for the second attendee, \$250 for each additional attendee from the same company)**. **Participants are responsible for their own travel and hotel expenses.** To register, fill out the attached form and fax back to Michelle Robinson at 770-388-0936. Slots are available on a first come / first serve basis.

Flights should be booked to arrive in Atlanta no later than Monday, March 17th at 11:00 AM. Classes will begin at 1:00 PM on Monday and are scheduled to end at 4:00 PM on Tuesday. Outbound flights should be scheduled after 6:30 PM Tuesday. Our office is about 45 minutes from Hartsfield-Jackson Atlanta International Airport (ATL).
